

# Fizikai Szemle

MAGYAR FIZIKAI FOLYÓIRAT

A Matematikai és Természettudományi Értesítőt az Akadémia 1882-ben indította  
A Matematikai és Fizikai Lapokat Eötvös Loránd 1891-ben alapította

The monthly journal of the Roland Eötvös  
Physical Society.

Sponsors: Department of Physical Sciences  
of the Hungarian Academy of Sciences,  
the Ministry of Human Capacities,  
the National Cultural Fund of Hungary

Editor-in-chief:  
János Lendvai

Editorial Board:

László Péter Biró, Nándor Bokor,  
Aladár Czitrovsky, László Füstöss,  
György Gyürky, Dezső Horváth,  
Gábor Horváth, Ferenc Iglói,  
Ádám Kiss, Pál Ormos, László Pálfalvi,  
Katalin Papp, Ferenc Simon, Péter Simon,  
Csaba Sükösd, László Szabados,  
Gábor Szabó, Gábor Takács,  
Zoltán Trócsányi, Sándor Ujvári

Technical Editor:  
Tamás Kármán

E-mail Address of the Journal:  
szerkesztok@fizikaiszemle.hu  
Articles for the journal are requested  
at this address.

Submitted scientific or educational articles  
will be published after approval  
by the Editorial Board and/or by recognized  
experts on the subject.

Website of the Journal:  
<http://www.fizikaiszemle.hu>

On the Front Cover:

Observation of neutrino recoil in beta-decay  
by Sándor Szalay and Julius Csikai  
(ATOMKI, Hungary, 1956)

On the Back Cover:

Neutrino detectors on covers of previous  
issues of Hungarian Physical Review

## CONTENT

János Lendvai: Editor-in-Chief's Preface to the Special Issue	1
Stephen Parke: International Conference on Neutrino Physics and Astrophysics 1972–2022	3
Herbert Pietschmann: How the Idea of Neutrino Conferences Came about	4
András Patkós: Rereading the Proceedings of Neutrino '72	5
Kenneth Lande: Impact of the Neutrino '72 Conference as Seen a Half Century Later	9
Julius Kuti: From Feynman's Partons to Quarks	11
Lalit M. Sehgal: A Conference next to the Alley of Rabindranath Tagore	12
Alex Szalay: Beginnings of Particle Astrophysics	13
Dieter Rein: Reminiscences of Hungarian Conferences	14
Ádám Kiss: George Marx – the Responsible Use of Nuclear Energy	15
Csaba Sükösd: George Marx, the Educator	18

Editorial office: H-1092 Budapest, Ráday utca 18., Hungary, Roland Eötvös Physical Society. Phone/Fax: +36 1 201-8682

Homepage of the Society: <http://www.elft.hu>, e-mail address: [elft@elft.hu](mailto:elft@elft.hu)

Published by Roland Eötvös Physical Society, responsible publisher István Groma Secretary-General, responsible editor János Lendvai Editor-in-chief.

Manuscripts are not retained or returned. Honorary copies are sent to authors.

Prepress: Kármán Stúdió, printing works: OOK-PRESS Ltd., leader in charge: Attila Szathmáry Managing Director.

Distributed by Roland Eötvös Physical Society, can be subscribed at the Society or IBAN: HU 36 102008303231027400000000, swift code: OKHBHUHB.

Appears monthly, the price of each issue 3 euro plus postage.

HU ISSN 0015–3257 (printed) and HU ISSN 1588–0540 (online)
